

Message for Art & Design students at Regent Street

As you're aware, the new Student and Programmes Centre will be established from 22 February 2010.

Please note that the Student and Programmes Centre will have an office at Regent Street, which will be open each day of the week to address student queries and accept assignment hand-ins. The office will be staffed by a member of team in the Student & Programmes Centre who will be providing student and programme administration for Art and Design.
